Get financial support for your engineering degree studies

Access to professional mentors, engineering peers and networking opportunities

Grants of up to £5450 per annum*

To apply go to: www.whitworthscholarships.org.uk

Monika Sud
"I was amazed that there was a scholarship out there for people who had taken a different path,"

"upon gaining the award, the financial value is just a drop in the ocean to the benefits."
Scott Patterson

Rikki Jones
"It's taken me to some places. I've met some great people… Grab it with both hands!"

"The Whitworth Society, in my opinion, is incredibly supportive"
Suzanne Birney

* Full time study for up to 4 years. £2800 p.a. for part-time studies. A total of £21,800 over study period subject to annual review. Postgraduates also eligible.
